

I listen and support K-LOVE on FM radio station 93.3. I don't want them forced off the air due to priority that could be given to a LPFM station. There are no other stations in my area that play the kind of music that K-LOVE does. I believe that if K-LOVE were replaced by a LPFM station this would affect the community because K-LOVE is such a positive station with a message that is so uplifting. I believe this is in the public interest because I don't have to worry about the lyrics or the joking of the DJ's when my children are listening, the message about Jesus Christ is very important in my life and I'm sure this is true of others also. Thank you for your consideration and have a blessed day!
